ABOUT ME

- I'm John, a freelancer and tele caller from Bhubhaneshwar,Odisha. Leveraging the UGC's dual-degree policy, I'm simultaneously pursuing two online degrees while gaining hands-on experience in digital marketing and telecalling. This flexibility enables me to enhance my productivity, manage time effectively, and accelerate my personal and professional growth. As I progress in my career, I aim to explore various opportunities that align with my skills and interests,

SKILLS

- Omnichannel Communication** – Professional telecalling, real-time chat support, and personalized email drafting.
- Social Media Management** – Content scheduling, community engagement (handling comments/DMs), and basic digital presence management.
- Digital Operations** – Data management using Google Workspace and MS Office, with a focus on accuracy and record-keeping.
- Virtual Assistance** – Managing digital workflows, scheduling events/meetings, and organizing backend documentation.
- Customer Handling** – Handling customer inquiries, resolving issues through non-voice/voice channels, and maintaining high satisfaction scores.

CAREER HIGHLIGHTS

- Outbound Communication:** Conducted high-volume outbound calls to prospective students, achieving high engagement rates by effectively communicating service features and benefits.
- Lead Management:** Managed full admissions cycles, handling everything from initial pre-sales calls to final sales close ups.
- Conflict Resolution:** Resolved complex inquiries and objections over calls.
- Content Strategy:** Developed and executed **social media content calendars** across platforms like Instagram, Facebook, to increase brand visibility and audience retention.
- Community Engagement:** Increased engagement by responding to user comments and handling orders over DMs.

POSITIONS OF RESPONSIBILITY

- Tele-Caller** – August 2025-present (Vanik Coaching Institute,BBSR,Odisha)
- Chat/Email Support Executive**– January 2026-present(SM Influencer)
